National Level Short Video Competition

Entries invited from 1st Jan - 15th April 2019

Greetings from Thrissur!!

Conveying information succinctly is paramount to success in any field, and ours is no exception. Posters, presentations and lectures have done the job so far, yes, but leave a lot to be desired. To bridge that gap, Department of Dermatology, Amala Institute of Medical Sciences brings to you, 'SKIN IN FRAMES' Dermatology concepts and beyond, a national level video competition showcasing short, educational video clips based on topics in dermatology

We invite all you talented postgraduates to participate in the same, enabling you to expand your knowledge base, communication skills, and above all, master the intricate art of putting it all together in an attractive package to medicos and laymen alike. Progress is the name of the game, and let us not be left behind
